

ADDENDUM NO. 2 for BID# 14-06

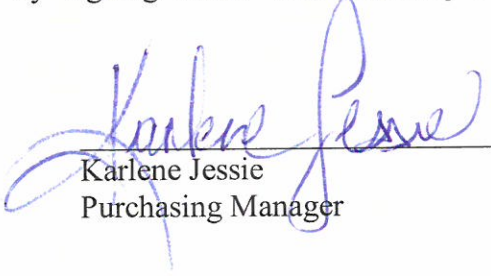

Unleaded Fuel

BID CLOSING DATE: February 13th, 2014, @ 2:00 p.m.
Today's date: February 10th, 2014.

NOTE: Corrections have been made to Addendum #1. Please be mindful of the changes.

The City pays both fed and state since we are reselling the fuel to rental car companies who are not exempt. Please reference pg 4 and pg 5 of the bid package. It clearly indicates the \$.200 state and \$.184 federal tax that is part of the price to be used for the bid.

Please acknowledge receipt of Addendum No. 2 by signing below and returning to the Purchasing Office.
